Farm Series S.R.G

PALATE

Citrus, zesty lemon, spice characters, a lively spritz and a nice balanced sweetness to finish.

VINIFICATION

This unique white blend has been fermented on skins for 7 days, then pressed off to finish ferment on heavy lees, contributing to the lovely texture and balance of this wine.

RANGE

The Farm Series caricatures were created by local Mudgee artist, Sam Paine, and reflect the animals that can be found on the Stein farm here in Mudgee.

WINEMAKER'S COMMENT

The fruit for this wine is now taken from selected vineyards in the Mudgee Region, so we decided to change the meaning of SRG to be "Supporting Regional Growers". The wine is still pretty much the same blend as it has been in previous years, Semillon, Riesling and Chardonnay.

FOOD MATCHING

Well-suited to spicy foods, seafood and warm sunny days.
