STONESTREET
ESTATE VINEYARDS

2017
ESTATE CABERNET SAUVIGNON

TASTING NOTES

As a blend of our best Cabernet Sauvignon vineyard sites, the Estate bottling is one of the most compelling illustrations of the Stonestreet Mountain. We blend this wine with discerning precision, balancing aromatic intrigue, texture and the Mayacamas' signature structural elements into a pure reflection of the vintage. The 2017 Estate Cabernet Sauvignon starts out with savory aromas of raspberry, dried blood orange, violet and black tea. As the wine opens, deep fruit flavors of black currant, bramble, red plum, and milk chocolate begin to show. The palate is rich and inviting with purposeful tannins, considerable length and plenty of concentration.

OVERVIEW

- American Viticultural Area (AVA): Alexander Valley, Sonoma County
- Mountain Range: Mayacamas Mountains
- Region: California's North Coast
- Elevation Range: 400 to 2,400 feet
- Vineyard Composition: Composed primarily of the Rockfall Vineyard, Christopher's Vineyard and Bear Point Vineyard.
