TWO HANDS WINES

PICTURE SERIES

A brand new addition to the Two Hands stable, on its first vintage release. Lots of Ins, Lots of Outs pays hommage to the people behind the scenes of Two Hands

2021 LOTS OF IN, LOTS OF OUT RIESLING

COAL RIVER VALLEY

The Coal River Valley wine region is located on about 20 minute drive North East of from Hobart in Tasmania. The cool, dry tempretures, sandy clay soils and sloped vineyards are perfect growing conditions for Riesling.

"After 22 years of this caper, I can't believe we pulled it off. It truly has been a magic carpet ride. This wine pays testament to all the employees and growers that have worked so hard to help me achieve all that we have. Over the years there have been lots of ins, lots of out but we have kept the rain on the tracks with a strong perpetual motion. To all, I offer you a huge thank you. MT."

2021 Lots of In, Lots of Out presents in the glass with a very pale straw colour. The aroma showcases a bouquet of beautiful florals, with lifted aromas of lanolin and tea rose.

Every wine in the Picture Series has its own inspiration, our own take on popular culture. With some old school polaroid imagery by friend and photographer Don Brice and a quirky back label descriptor, the aim is to bring a smile to your face when you pick up the bottle, reminding you that wines should be approachable and of course... fun.

TASTING NOTES *WRITTEN BY TWO HANDS WINES PROPRIETOR MICHAEL TWELFTREE UPON RELEASE:*

"The palate is round and concentrated with lovely texture, the flow is soft, subtle and unctuous. A polar opposite style to our wines from Clare and Eden Valley. This Riesling has a lovely acidity, balanced by textured and complex flavours of clementine, tea rose and sea spray. This wine drinks perfectly now young as it is released, but still has great potential age up to 6-7 years.." - MT

THE GROWING SEASON

Vintage 2021 in Tasmania growers enjoyed the combination of good yields and exceptional quality. Great news after coming out of a few drought years. The generous rain in both 2020 winter and spring, was met with cool temperatures and steady ripening over the summer of 2021. The quality of fruit from this single site Riesling vineyard in Coal River Valley meant Two Hands were able to purchase a decent yeild from the grower of approximately 2 tonne. It reached ripeness with great intensity of flavour on the 16th of April, where the team then hand picked the fruit from the property.

VINIFICATION

The fruit was whole bunch pressed then chilled to 4° with minimal Sulphur added in Coal River Valley after being picked on the 16th of April. It was then overnight freighting to our winery in Marananga, Barossa Valley to be fully overseen by Cheif Wine Maker Richard Langford. The must was then warmed to 10° to have a cool and slow fermentation in stainless steel over 2 weeks. Wine was bottled in June, in the Barossa Valley.
