

TYRRELL'S
SHIRAZ 2025

Date Picked 7 February 2025
Date Bottled September 2026
Alc 14.0%

Vineyard

Sourced almost exclusively from select vineyard parcels on the Tyrrell Family Estate, *Ashmans,* ranging from 30 to 75 years of age.

Vintage Conditions

2025 was an outstanding vintage in the Hunter Valley and produced red wines that are modern classics. Abundant winter rains and favourable growing conditions produced Shiraz that are bright, lively, red fruited and medium-bodied.

Winemaker's Notes

The Shiraz grapes were both hand and machine picked before fermentation took place in traditional open top vats. The wine was then matured in older, large format 2700L French oak casks that provide subtle oak influence whilst preserving fruit purity.

Tasting Notes

Embodying the Tyrrell's house style of Shiraz; bright, fruit-forward, minimal oak influence due to the large format oak casks in which it is matured. Enticingly drinkable upon release, with the pedigree to handle medium term cellaring. A modern style of Australian red wine that is perfect for our climate and cuisines.

THE STORY OF TYRRELL'S RANGE

For five generations and since 1858, Tyrrell's has called the Hunter Valley home. The amassed knowledge built over 170 years allows us to select the best vineyard sites across the Hunter Valley to create our Tyrrell's Range of wines, which are benchmark examples of the varietals that have become icons of our beloved region. These wines are an introduction to the key varietals of the Hunter Valley: Semillon, Chardonnay and Shiraz, designed to drink now and made to the same exacting standards as our flagship wines.
