WILLOW BRIDGE ESTATE

2019 Dragonfly Shiraz

Estate grown from the spectacular hillside vineyard in the Ferguson Valley of the Geographe wine region, fruit is sourced from 1998 plantings, in our north facing Forrest, Jarrah and Blinman blocks.

Soil is typically a deep layer of ironstone gravelly loam over red and yellow friable clay with slight westerly aspects at elevations of 220 to 250m above sea level.

Dragonfly Shiraz is an expression of the juicy and generous varietal blackberry and blueberry fruits we attain in the Ferguson Valley, complemented by fine tannin and supporting French oak.
