WILLOW BRIDGE ESTATE

Willow Bridge Estate

2021
Dragonfly Shiraz

AROMA

Blueberry, perfumed berries and a vanillan background provide a powerful and striking aromatic.

PALATE

Cooling berry fruits, raspberry and blueberry, distinctive traits of the region. Complemented by fine lingering tannin.

VINIFICATION

Crushed cool to static fermenters for eight days, peak temperature 28 degrees Celsius. 100% barrel matured in new and older French hogsheads.

TECHNICAL ANALYSIS

pH: 3.65

CELLARING

Up to 10 years.

VINTAGE

A season in which we have had our hottest December days ever, our warmest nights since 2012 and our driest December since 2008. Despite these conditions being thought of as less than ideal, we could not be happier with the overall quality of the wines from the vintage, when all this occurred in tandem with the absence of our two nemeses, bushfires and birds! We did though experience a low yielding crop.
