YANGARRA
ESTATE VINEYARD

ROSÉ

Yangarra is a single-vineyard estate situated in Blewitt Springs, at the northern edge of the McLaren Vale region, South Australia. Yangarra's combination of ancient geology, high altitude and Mediterranean climate provide the ideal growing conditions for the best grape varieties of the southern Rhône.

2026 ROSÉ

The ultimate pink picnic wine – clean, refreshing and dry. With vibrant rose hip, grapefruit and strawberry aromas, this early picked rosé offers a crisp, juicy palate. Grown on our elevated McLaren Vale estate, it's the perfect companion for beach days, sharing at sunny picnics and dreaming of your next holiday.

VINTAGE SUMMARY

If any vintage could be described as unpredictable, it would be 2026. Wet conditions in November challenged flowering in the vineyard and sharpened our focus on disease pressure and weed management. The usual summer pattern quickly returned, bringing dry, warm conditions that suggested an earlier vintage than expected. Then, quite suddenly, late summer and autumn became consistently mild and cool, drastically slowing vine physiology and fruit ripening. This created a striking balance of concentration, freshness and purity in the fruit profiles. As a result, most picking took place in March, in line with our long-term average.

WINEMAKING

A blend of early picked 44% Mourvèdre, 27% Carignan, 25% Grenache and 4% Counoise starting on the 11th of March. Hand-picked, varieties individually pressed to tank and settled as fruit came in. Clear juice racked to stainless steel for cool fermentation. Aged on lees in stainless steel for 4.5 months before final blending. Bottled September 2026. Certified Organic/Biodynamic.
