YANGARRA
ESTATE VINEYARD

SHIRAZ

Yangarra is a single-vineyard estate situated in Blewitt Springs, at the northern edge of the McLaren Vale region, South Australia. Yangarra's combination of ancient geology, high altitude and Mediterranean climate provide the ideal growing conditions for the best grape varieties of the southern Rhône.

VINTAGE SUMMARY

The 2025 season was the driest on record for the region. These conditions produced very low yields, with small berries and high levels of concentration. A relatively warm February brought on a compact and rapid ripening period, with fruit moving through to maturity in a short timeframe. Despite the accelerated pace, the season has delivered wines with vibrant natural acidity and notable intensity, shaped by the combination of small berry size and the compressed harvest window.
